OBITUARY

Mr. Samuel Young died very suddenly of a heart attack at his home, 265 Spadina Rd., Toronto on Monday, April 11. He was in his 77th year.

Born in August of 1883 of the late Mr. and Mrs. John Young, there were seven boys and one girl of this union. The girl was the late Mrs. Wm. Roy, mother of the late Mr. J. E. Emmerson of Donald.

Mr. Young is survived by one brother, Andrew and his

sister-in-law, Mrs. Wm. Young.

Mr. Young was born in Toronto and lived there all his life except for the summer months where he lived at the summer home of the late Wm. Young on Alladin Point, Lake Kashagawigamog.

Mr. Young's father owned and operated the Walmer Rd. dairy on Kendall Ave., Toronto for a number of years.

Services were last Thursday in the McDougal and Brown funeral chapel, St. Clair Ave. W., Toronto. Interment was made in the family plot, Prospect Cemetery.

TODAY, MORE THAN 5½ MILLION RESIDENTS OF THE PROVINCE OF ONTARIO ARE COVERED BY ONTARIO HOSPITAL INSURANCE

THIS MEANS THAT 93% OF THE POPULATION
NOW HAVE MAXIMUM PROTECTION AGAINST THE COST OF NECESSARY HOSPITAL CARE

4,200,000 ONTARIO RESIDENTS, IN GROUPS, are now insured . . . 26,000 business firms and other organizations are co-operating to make these benefits available to their employees and members.

1,200,000 RESIDENTS, NOT IN GROUPS, are insured through premiums paid directly to the Commission.

100,000 MUNICIPAL WELFARE RECIPIENTS are also covered for hospital care.

\$158,000,000 WAS PAID IN 1959, through the Commission, for standard ward hospital care received by insured residents.

EVERY MONTH LAST YEAR, MORE THAN 80,000 PATIENTS received hospital benefits under their Ontario Hospital Insurance Certificates. These benefits covered cases ranging from minor emergency treatments to long-term illnesses costing several thousands of dollars.

8,000 ONTARIO RESIDENTS RECEIVED BENEFITS for hospital care while outside the Province.

MORE HOSPITAL BEDS IN ONTARIO — Communities, hospitals and the Commission are working together, assisted by Provincial and Federal grants, to meet the need for more hospital accommodation in a growing Ontario. In 1959, 2,000 new beds were added; accommodation for 3,000 beds was under construction and facilities for 3,500 more beds were in advanced planning stages.

WHAT DOES ALL THIS MEAN TO YOU?

It means many things. But, to you as an insured person, probably the most important is the fact that hospital expense is no longer an obstacle when your doctor recommends hospital care for you or your dependants. This means greater peace of mind for all concerned.

KEEP INSURED!

HERE'S WHAT TO DO

IF YOU CHANGE YOUR JOB... Be sure to get your Certificate of Payment (Form 104) from the firm you are leaving. Follow the simple instructions on the back.

IF YOU GET MARRIED... Family Hospital Insurance premiums are required. Be sure you are both protected. Tell your employer or collector right away. If you pay direct . . . tell the Commission.

IF YOU ARE NOW NINETEEN... This means you are no longer insured under your parent's Hospital Insurance Certificate. When you become 19, separate premiums are required. Application forms are available at hospitals, most banks and any office of the Commission.

IF YOU CHANGE ADDRESS... If you pay through a group, no action is necessary. If you pay on a direct basis, tell the Commission immediately.

IF YOU GO TO HOSPITAL... Make sure you take your Hospital Insurance Certificate or, at least, the Certificate number. To avoid confusion jot the number down now, where it can easily be found when needed.

IF YOU NEED EMERGENCY CARE... Remember — Emergency Out-patient hospital care is insured only if received within 24 hours following an accident.

AND REMEMBER... Always pay premiums when due. Don't take chances. Prompt payment of Hospital Insurance premiums safeguards your future protection. It may be a blessing to you some day.

READ YOUR HOSPITAL INSURANCE "GUIDE"—an interesting little folder which gives you the answers. Copies are available from insured groups, all hospitals, most banks, or any office of the Commission.

IF YOU ARE NOT INSURED

YOU ARE NOT ELIGIBLE FOR BENEFITS

Application forms are available at hospitals and most banks or any office of the Commission . . . Firms having 6 to 14 persons on the payroll may elect to form groups. Obtain details from the Commission.

APRIL DAYS

The soft warm rains fall gently
Upon the sleeping earth,
To wake the world to beauty
To happiness and mirth.

The cold white snows are over
And spring has come once more
With golden shafts of sunlight
Streaming through the open door.

The skies are blue above us
Birds sing bright and gay
All nature is alive again
This lovely April day.

—Ann Cummins.

CHAMBER OF COMMERCE HOLD MEETING

The following are the minutes of the executive committee meeting of the Haliburton Highlands Chamber of Commerce held at the Rockcliffe Hotel in Minden, February 9, 1960.

Present were Mrs. R. Kirkwood, Miss Elizabeth Nicol, Miss Paula Lahay,

Messrs. E. J. McConnell, R. J. Curry, E. Frank Litt, David Edwards, Robert Bishop Sr., John Hill, Berkeley Feir, Robert Bishop Jr. and secretary manager, Mrs. M. N. Brooks; in the chair, president F. H. Brooks.

The minutes of the meeting held on January 12 were adopted as read, on motion.

In the absence of the treasurer the secretary reported a balance on deposit of \$540. Paid up membership stood at 69 and, to date, a total amount of \$1,669 had been collected in membership dues. Moved by Robt. Bishop Sr. that the report be adopted. Seconded by David Edwards. Carried.

Correspondence

Receipt of the following communications was reported:

From Mr. Earl Casey of Dysart telephone system confirming arrangements for the chamber's information office to take summer telephone service only.

From the Dept. of Travel and Publicity making available two films for the Chamber's use at the Sportsmen's Show.

From the Dept. of Highways in Huntsville, advising that a sign had been erected at the junction of Highways 500 and 121 at Tory Hill in accordance with the Chamber's request.

From the Ontario Chamber of Commerce asking for resolutions from the chamber for presentation at their forthcoming annual meeting to be held in Hamilton in May.

From the Hon. J. W. Spooner re: provincial park in Haliburton County.

The secretary was directed to send a letter of thanks to the Dept. of Highways for the prompt attention to our request and to suggest

an improvement to the present sign at the junction of Highway 35 and the road leading to Fenelon Falls. Also to the sign at the right hand turn at the overpass at No. 7 highway.

Concerning resolutions to be forwarded to the Ontario Chamber of Commerce, Elizabeth Nicol moved that this organization request legislation, making long term loans available to tourist establishments for the purpose of improving and modernizing their accommodation, be enacted by the Province of Ontario. Seconded by Mr. David Edwards.

Mr. Edwards moved that the Ontario Chamber of Commerce strongly recommend to business and industry that consideration be given to the staggering of holidays thus resulting in an easing of the present peak period of the last two weeks of July and the first two of August.

The secretary was instructed to reply to the Hon. J. W. Spooner's letter (with a copy to the Hon. Leslie M. Frost) pointing out that the immediate need of the Highlands of Haliburton was for the development of areas where the camping public could spend a week or two vacation—not so much for the development of wilderness or provincial park areas, much as these would be appreciated in years to come.

Map Of County

Mr. Jack Austerberry of the O'Brien Printing Co., put forward a suggestion for certain changes to the present folder-map with the

idea in mind of combining the map and resorts and business directory at a later date. After long discussion a decision was reached, and it was moved by Elizabeth Nicol, seconded by Robert Bishop Sr., that the suggested layout be adopted. Carried.

Moved by Jack Hill and seconded by David Edwards that the color of the lakes be changed from yellow to blue and that the present colors of black, yellow and red be changed to black, red and green. Carried.

Moved by Mr. Frank Litt, seconded by Miss Paula Lahay that 30,000 maps of the new design, printed on linen stock, be ordered, it being understood that payment for 20,000 would be made 10 days after delivery, the balance to be paid 90 days after delivery. Carried.

Sportsmen's Show Booth

Mr. Robert Bishop Jr. reported favorable progress regarding the building of the Chamber's booth. Arrangements had been made with Eaton's to furnish it; electrical installation had been confirmed. Two films had been made available by the Dept. of Travel and Publicity for showing to the general public, and an announcement had been placed in the Echo urging members to send their advertising literature for distribution at the show.

Other Business

Mr. R. Curry pointed out that at the county council meeting it was suggested the chamber's fiscal year begin the first day of January instead of the first day of June as at present. Mr. Curry moved and Mr. Jack Hill seconded that this change be adopted and recorded in the by-law provisions (Section 42 Article X) of the chamber. Carried.

The March meeting was canceled due to the Sportsmen's Show. The next regular meeting to be held in April on a date to be arranged later.

MAPLE LAKE

Miss Ada Gibbs spent the week end with Oscar, Isabelle and Wilfred Gibbs. Wilbert returned with Ada to Toronto for a holiday.

Mr. Ray Upton was home for the week end.

Mr. and Mrs. LeRoy Eager, formerly of Lindsay, are the new operators of Tom Welch's grocery store. Congratulations to this fine young couple.

Mrs. Vic McBrien left on Sunday via Burlington where she will spend a few days and her sister will accompany her on a trip to New York where she will spend Easter with her daughter Gwen.

DIFFERENT?

No other car has springs like these!

Volkswagen rides like a big car—with springs you can't even see! Sealed in tubes, they're protected from rust, dust and dirt. These torsion bars give independent springing to each of the four wheels—unlike any other family car. You get the same remarkable riding comfort front seat or back.

Volkswagen wheels are different, too. They are larger than normal with larger tires for a softer, more comfortable ride. And oversize brakes give you maximum safety.

Volkswagen's unique suspension, large wheels, luxurious contoured seats—these are the important things when it

comes to riding comfort—not size. Volkswagen's ride on any road is unmatched, even by big cars.

That Volkswagen's famous engine is different, is a well known fact. It's in the rear, of course. It's air-cooled. In fact, it has set a new trend in motor design. You get up to 40 miles per gallon and can drive at top speed all day long—if you wish.

All this makes Volkswagen different. When you drive it you'll find—

it pays to be different.

No wonder, then, that Volkswagen is the largest selling imported car in North America—by far!

And not only does this revolutionary mower bag your grass clippings, but also leaves, twigs, lawn litter—all are sucked up by the Whirlwind's super-vacuum and deposited in the bag for easy disposal.

The secret is inside the Whirlwind's unique housing—an exclusive Toro design. It has none of the indentations and corners that cause ordinary rotaries to form clumps—clippings have a clear track to be blown into the bag or dispersed uniformly over your lawn!

The Haliburton Rotary Club held its weekly meeting at the United church on Thursday night last. Seventeen members were absent, but most of these absentees have made up at Minden or other centres.

Rotarian Vance English gave his classification talk which was on the operation of a service station. He took as his topic "How Often Should You Change Your Oil." The speaker went on to say that as he was selling White Rose products he would like to quote some facts on oil changes. He went on to tell of the difference in miles that certain people change their oil, such as the taxi driver, bus driver and so on. Each one changed his oil at different times. At the beginning of this very interesting talk Vance told of the up to date equipment that he has installed in his service station.

IN MEMORIAM

Roberts—In loving memory of our loving mother and sister, Emma Roberts, who passed away three years ago, April 18, 1957:

Time may heal the broken hearted,

Years may make the wound less sore,

But it cannot fill the longing For the loved one gone before.

Who shall say the grief is lessened,

Though the smile may hide the tears,

Memories keep the wound still open,

Despite the passing of the years.

—Every remembered by her son Fred and sister Daisy.

Mrs. Hunter and Mrs. Dean assisted the hostess in serving refreshments.

ANGLICAN CHURCH NOTES

A large congregation gathered for worship in St. George's church on Easter morning.

The Rev. John Taylor took his text from the opening words of the epistle for Easter day: "If ye then be risen with Christ seek those things which are above where Christ sitteth on the right hand of God. Set your affection on things above, not on things on the earth." The speaker pointed out that those who faithfully do this find the reality of the resurrection power operating in their own lives.

Following the sermon the choir sang "Thine Be The Glory, Risen Conquering Lord."

Lieut. Kerr of the Salvation Army addressed the B.A.C. at their breakfast on Sunday morning, April 10.

OBITUARY

Ben Sawyer

Finis was written to a colorful chapter of Haliburton County's history with the recent passing of "Long Ben" Sawyer.

In March of this year "Camping in the Muskoka Region" was republished and became available at book stores all over the province. Originally written and printed in 1867 by James Dickson, an Ontario land surveyor who once had an office in Minden, the book tells the story of a canoe trip through the northern part of Haliburton County and the Algonquin Park.

The forward is written by Premier Leslie M. Frost who pays moving tribute to the men of the forests, the lumbermen and trappers who first tamed the wilderness.

Mr. Frost makes special mention of Mr. B. J. Sawyer whose prowess with paddle and wood craft made him a legend in his own time.

He recalls with pleasure the tales Mr. Sawyer told of Haliburton's early days which will not soon be forgotten.

As an interesting footnote records in the Lindsay library state that the first permanent settlers in the Municipality of Dysart came in 1863. They were Richard Thompson, James Holland, J. Leper, John Erskine, Winnett Austin and William Elstone. However the author adds that a trapper, David Sawyer, had been a long time resident in the district.

Last Tribute

The beaver pond will know him no more,
The lake is hushed and still.
Only the winds for a requiem
Echo down the hill.
His traps and guns are gathering rust
Time his paddle mars
For he has crossed the last
portage
Where his deeds are
stars.

—Nila Reynolds.

WILBERFORCE

Red Cross Meeting

At the April meeting of the Wilberforce Red Cross Society, the president and campaign chairman, Mr. Ken Sanderson, announced that the March campaign had been successful. To date over 120% of the objective has been collected.

It was reported that the three recent fire victims in our area have received parcels of household linens from the Red Cross headquarters in Toronto.

Following is a list of the contents received by one family: eight large size grey wool blankets, four pair large size flannelette sheets, 12 pillow cases, eight terry hand towels, eight face clothes, four bath towels, six linen dish towels, two crib size blankets, one crib size quilt, two small pillow cases, 12 diapers.

In addition to the parcel the Red Cross also authorizes the local branch to spend \$25 per family for groceries or immediate necessities. Headquarters reimburses the local branch for any money spent for this purpose.

Surely when we see how the Red Cross responds to our pleas for help for someone who has suffered a misfortune, we should be willing to serve whatever way we can—with our time, our talents and financially.
